REQUEST FOR FURNISHING OF INITIALED COPIES OF CERTAIN PAGES OF PREVIOUSLY SUBMITTED INFORMATION DISCLOSURE STATEMENTS

This request is being submitted by applicant for the purpose of obtaining copies of certain pages of previously submitted information disclosure statements after such pages have been initialed by the Examiner. Applicant respectfully requests such initialed copies in order to ensure the documents listed on such pages have been brought to the attention of the Examiner in this application.

In particular, applicant calls the Examiner's attention to the attached pages of information disclosure statements which were mailed by applicants on May 13, 2004 and July 18, 2003. The Office Actions, mailed August 27, 2003, and February 11, 2004,

and an Office communication, mailed June 1, 2004 did not attached copies of these pages of the Information Disclosure Statement with the Examiner's initials, indicating that these references were considered. Therefore, applicants are resubmitting these pages for the Examiner's attention. Copies of each of the references was submitted to the U.S. Patent Office or was cited by the Examiner in the parent application, Serial No. 09/747,609, filed December 22, 2000, now issued Patent No. 6,546,935, which is relied upon for an earlier effective filing date of the present application under 35 U.S.C. 102. Accordingly, applicants have not resubmitted copies of the documents on the attached pages. However, if the examiner requires additional copies, please contact applicant's undersigned attorney.

Since this request is resubmitting copies of pages of an information disclosure statement which was already filed previously with the U.S. Patent Office, no additional fee is believed to be required. However, should an additional fee be required, authorization is hereby given to charge Deposit Account 50-1039. (A duplicate of this document is enclosed herewith.)

Respectfully submitted,
